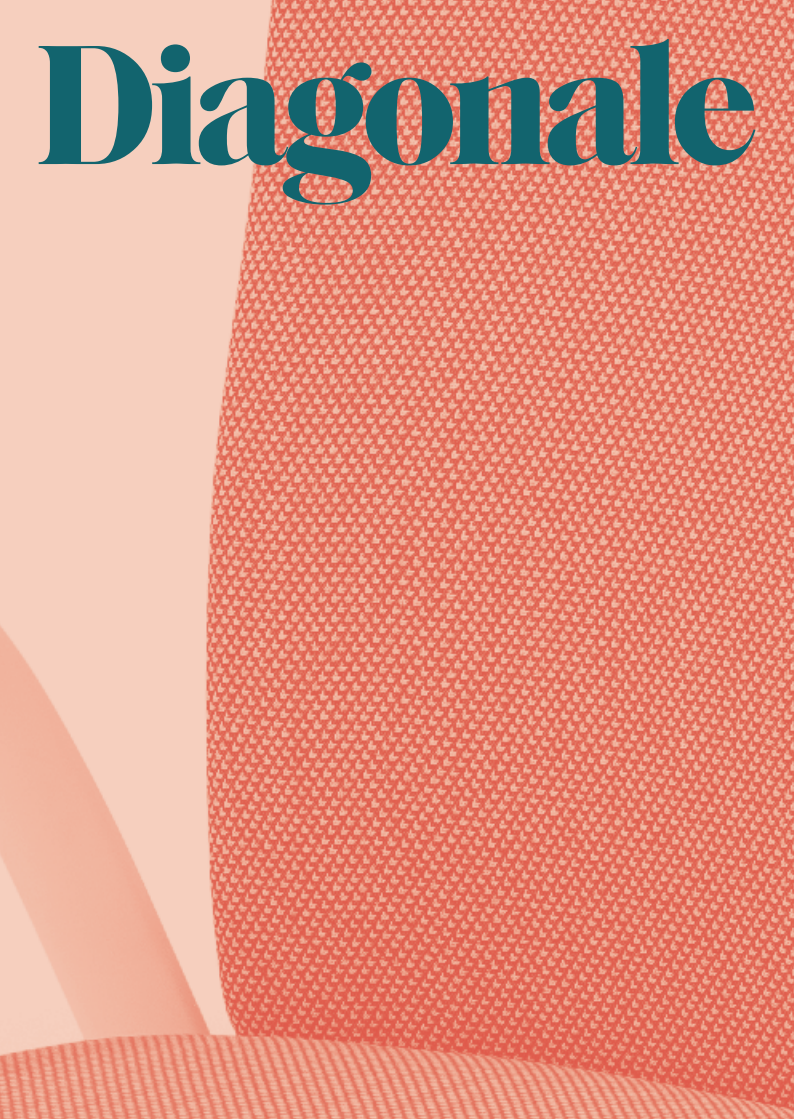
Diagonale



Diagonale

Patricia wanted the colour line to have “energy”, but also work in multiple space applications. She insisted on mixing colored yarns with white to retain the vibrancy she was after. But also, offer more tonal combinations to round out the palette. The scale of this patterns is versatile and works across all of Haworth seating platform. Offered in 8 colours.

Big Arrow

Fabrics with dimension and textural interest led Patricia to develop a Matelassé construction for Haworth. Colour, density and a stitched quality play together to create an iconic but practical and durable textile. The 7 colorways are warm and engaging. Patricia says, "the Arrows must always point to the sky!"
