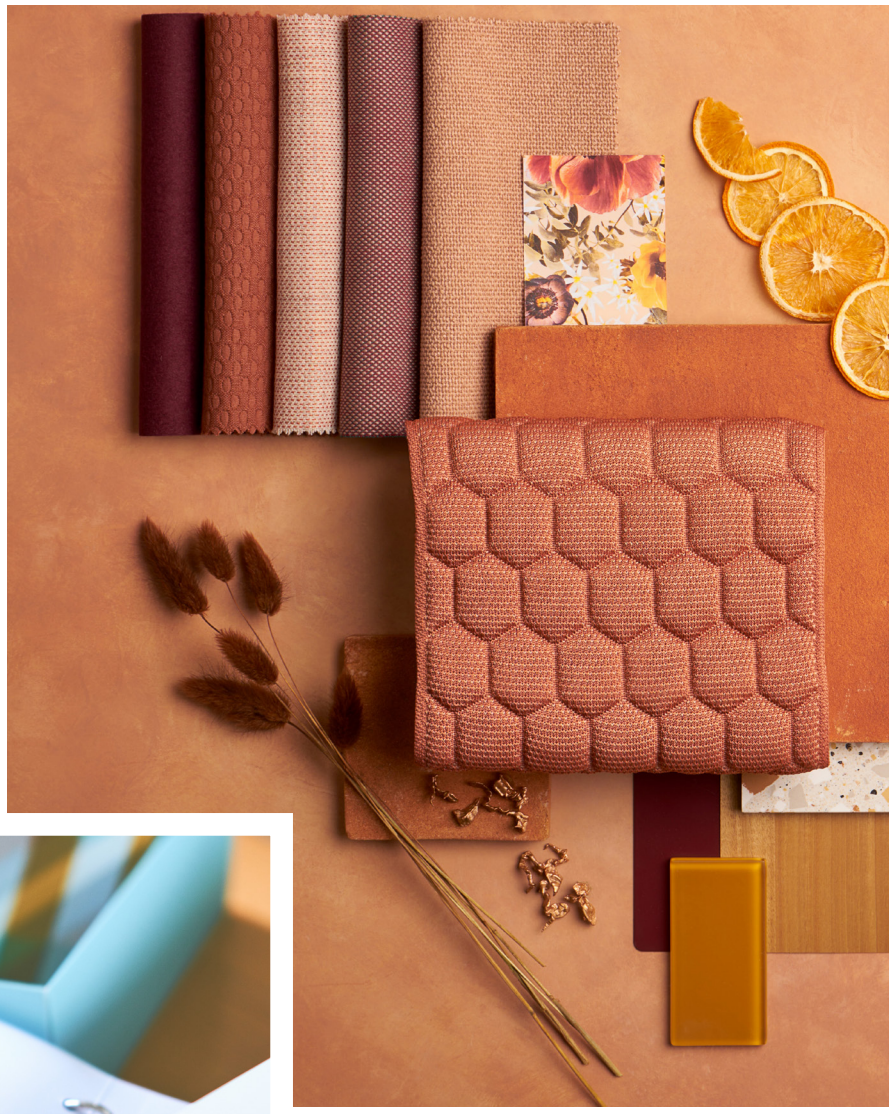
Fabrics and Finishes

Product Matrix

2025 Q1

Explore Haworth Fabrics and Finishes

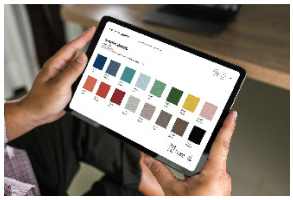
Good design should be easy to specify. Our standard upholstery and finishes are available broadly, across various product lines, giving you the freedom to mix, match, and layer coordinating elements simply and easily.



The every day work environment can be both an emotional and sensory experience – directly affecting an individual's personal engagement through design.

Want to Learn more?

Discover the available colour collections and finishes listed in this document in our interactive European Colour Overview here.



Legend for the table cells: ● = dark dot; ●(blue), ●(red) and ●(light green) = coloured dots, as explained in the key below the table.

Fabric / Stoffe / Tissus (part 1)
