Specification Tips

- Gangs on open seat depth with separately specified Cabana seating or tables with or without a screen. Use separately specified Ganging Bracket or Ganging Kit.
- Cannot gang on arm, back or screen locations due to interference. For options see Specification Guide.
- Sofa and screen fabric are applied railroaded.
- Linear or patterned fabric not recommended due to the way material is applied.
- Seat and Screen may be specified with different materials. To specify, select seat material grade. Next, select screen material and add appropriate upcharge (see chart).
- When ordering with screens please note the change in Number:
  –No Screen S9C_-**0**
  –Low Screen S9C_-**L**
  –High Screen S9C_-**H**
- Embedded Power is factory installed and cannot be field installed. Power type can be field modified with service parts.
- **For use with 120 volt 60 hertz electrical system only.**
- Place powered seating within 4'(1219mm) of power source. Power components each have a 10'(3048mm) cord routed to a corresponding opening at rear of seating unit.
- Integrated Table is factory installed. The table position is fixed and cannot be field modified.
- The Integrated Table is designed to work with separately specified, field installed, Bezel Utility Module EURT-00_ _. Table stanchion allows cord management through the seat. Bezel Utility Modules ship standard with 6'(1829mm) or 12'(3658mm) cord lengths.
- The following separately specified items are designed to work with Cabana screens. It is recommended to use these items on High Screens or placed over a table to prevent interference with user.
  –Shelf S9SH-0
  –Coat Hook HOCH-0000
- See Specification Guide for Application Details.
- Powered applications may require approval of local authority having jurisdiction (AHJ); ensure compliance before placing orders or installing.

COM Yardage Requirements

Procedure

To determine if a COM fabric has been approved for use on Haworth product, contact Haworth (1.800.426.8562), your local Haworth dealer, or go to surfaces.haworth.com. Haworth will calculate and order fabric unless instructed otherwise.

If the fabric is approved, and the directional orientation (directional rightway, directional railroad, or non-directional) of the tested fabric has been confirmed, then refer to the appropriate price page for yardage requirements.

COM Fabric Requirements

The fabric yardage requirements for COMs given for each model are in lineal yards and are based on 54"(1372mm) usable fabric widths. Approximate yardage requirements are shown for each model within the price pages.

For fabrics already approved, with a COM order entry code assigned, Haworth will determine and purchase the yardage needed. If the fabric will be provided by the dealer, and the pattern has a large repeat or stripes, additional yardage will be needed; contact the COM Department for more information.

Find total number of linear yards required for the order. Add the appropriate percentage shown below to the total yardage to accommodate fabric flaws, wrinkles and other imperfections.

Up to 500 yards	Add 10%
501 to 1000 yards	Add 5%
More than 1000 yards	Add 3%

HAWORTH

Product Compatibility and Limited Warranty Policy

Great Expectations

You have them as a Haworth customer and so do we. And because we value our customers, we cover our products with the Haworth North America Product Compatibility and Limited Warranty Policy.

Our Commitment To Product Compatibility – Integrated Product Platforms

As a market leader in the design and manufacture of workspaces that adapt to change, we strive to maintain product compatibility within our various generations of integrated product platforms. This benefits the customer who desires to update or modify their work environment. It also benefits the customer needing to replace a product due to damage or other reasons but which is no longer manufactured or is otherwise unavailable, such as a fabric or finish that is discontinued because of changing market preferences. In both circumstances, we often can provide products with comparable function and performance.

Our Commitment To Product Quality – The Haworth North America Limited Warranty

To ensure customer satisfaction and peace of mind, we stand behind our products with the Haworth North America Limited Warranty. To review the current version of the limited warranty including its terms and conditions, please go to: **www.haworth.com/warranty** or contact **OneTouch@Haworth.com or 1 877 429 6784**.

Warranty Requests or Questions

For questions or service requests pertaining to the Haworth Limited Warranty, please contact your Haworth dealer. If you are unsure who your dealer is, please contact **OneTouch@Haworth.com or 1 877 429 6784**.

Terms of Sale

The Terms of Sale apply to all products in the North America Price Lists. To review the current version of the North American Terms of Sale, please go to:
www.haworth.com/terms-of-sale or contact **OneTouch@Haworth.com or 1 877 429 6784**.
