

HAWORTH

Very

Seating

Enhance your experience and make a statement with chairs from one family of seating. The Very® task chair is appealingly modern, offering a clean, eclectic design and light-scale form. Easy to use, the chair’s intuitive lumbar support and patented asymmetrical control provide individual comfort and support for a full range of postures. With the versatile Very family, there’s a chair for everyone, in every space.

Certifications/Accolades

Features

- Patented asymmetrical adjustable lumbar accommodates the natural curve of the spine
- Flexible mesh back supports the back in all postures
- Choose a digital knit back for comfort with a warm, contemporary look and stitching tension variations for targeted back support
- Pneumatic seat-height adjustment
- 3-point tilt enables a comfortable, relaxed posture
- Back lock secures the seat back in an upright position
- Choose from 4D, height-adjustable, or fixed arms
- The seat has 3-inch depth adjustment and upholstered foam
- Optional forward tilt adjusts 5° downward to support an upright, forward posture
- All Very chairs are cleanable with soap and water or disinfecting wipes; bleach cleanable fabrics, leathers, and faux leathers are available
- Add an upholstered back jacket for even greater cleanability
- The Very family also includes conference seating, wire stackers and stools, and side and seminar chairs
