## Haworth Digital Knits Inspiration Guide

### Bringing Fashion to Furniture

The refined coziness of your favorite sweater. The support and style of the latest running shoe. Haworth Digital Knits combine it all, applying the advanced knitting technology used in fashion to office furnishings, bringing beautiful knit patterns, soft high-performance fibers, and breathable comfort into the workplace—and right to your desk chair.

### Very Knit Back Task Chair

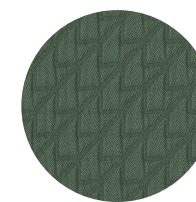

The Very knit back task chair offers a contemporary look, with intentional stitching variations that add visual interest, ergonomic support, and breathability. Five new colors, curated by Patricia Urquiola, are available in a single pattern mélangé yarn, offering design combinations that range from subtle to stunning when paired with the variety of available seat upholstery. Browse through the following Very knit back task chair palettes and let them inspire you.
