Intuity
Parkbench™

HAWORTH®

Whilst remaining complimentary and co-ordinated with the system aesthetics of Intuity… as a table product Parkbench is shifting the 'visual psychology' and tuning into new ways of working and collaboration.

Parkbench is a communal table-setting with visual cues of "informality and open space". A fresh look that encourages the opportunity to "stop by, sit down together, and take an open-minded moment to reflect and share ideas / experiences".

Intuity Family

As a part of Intuity family, Parkbench inherits the tradition and design of Intuity platform. It helps establish new informal settings for individuals and teams to work effectively.

Communal Design

A communal, fresh looking setting with visual cues of informality and open space. Parkbench encourages to create a collaborative environment where individuals and teams can huddle, incubate ideas, and socialize.

Multiple Flavors

Depending on the activity, Parkbench offers a playful range of worktools that suit unique requirements of individuals. Meanwhile, distinctive leg options (metal and wood) with variety of color options provide unique flavors.

HAWORTH®

Multi-functional Central Tray

Building on its ethos of multi-use - depending on your preferred activity Parkbench offers a unique range of playful work-tools that drop into its "center-zone"…

Easy Allocation

When you are in a quick meeting, or some good ideas just come out, the last thing you want is to find a place to allocate your belongings.

Parkbench provides special features as hooks for your handbags where you can hang around 5kg weight. Also, foot rest with cover can act as a platform to hold your heavy luggage. Or, Daybox from Haworth Yourway Worktools provides more solution for your file arrangements.
