Riverbend & Pebble

Lounge Seating

With today's mobility, people often seek out non-traditional work settings for at least part of their day. Riverbend™ lounge seating and Pebble® ottoman offer the variety and comfort people want, along with the flexibility organizations need as they evolve.

Riverbend and Pebble create spaces that support people with a variety of casual settings for group or individual work. The 22 versatile lounge pieces offer a multitude of configuration possibilities, providing adaptability and scalability for changing organizational needs.

Spark Creativity and Innovation

Environments that support the different ways people work are crucial for creativity and innovation. With an assortment of shapes and sizes, Riverbend and Pebble combine to create flexible applications that offer people choices for individual work and contemplation, face-to-face discussions, or collaborative sessions.

Flexible Solutions for Growth and Change

Cost-effective, multi-functional spaces help optimize floorplans and keep people productive for maximum efficiency. Riverbend and Pebble offer a flexible solution that is easy to specify, configure, and reconfigure as an organization grows and evolves.

Invite Spontaneous Collaboration

A culture that fosters collaboration helps people work efficiently, perform their best, and stay engaged. Riverbend and Pebble create settings that invite social interaction, casual meetings, and group work. The modern, welcoming feel draws people in and brings them together, nurturing a positive, collaborative culture.

Design Choices

Riverbend and Pebble's simple elements in a variety of shapes, sizes, and colors encompass the simplicity and versatility required to furnish a vast array of spaces—large or small. The pieces can be easily reconfigured to create and blend into any environment without competing with other furnishings.

Designed by Fletcher Vaughan
