

HAWORTH

Grotto JANUS et Cie

Tables

Grotto side and coffee tables add rustic elegance to any space, indoors and out. Their faux bois design is rooted in nature, evoking the intricate textures of tree bark and rings. Crafted from durable stone matrix, Grotto weathers the elements. Grotto tables double as compelling conversation pieces, whether used alone or grouped in multiples for a striking statement.

Features

- Stone matrix imitates natural tree stumps
- Complements a variety of décors
- Variegated hues in a mélange of white, ivory, greige, and charcoal
