HAWORTH®

Canadian Communities Alliance

Why Haworth

The Company

As one of the world's largest workspace manufacturers, we have spent years studying the way people work and we understand that your spaces have to perform on many levels. Inside our company you'll find solutions to help you create inspiring workspaces that look great, anticipate change, support multiple applications, maximize technology, and deliver time-tested quality and durability.

The Alliance

Haworth is proud to be a partner of Canadian Communities, supplying adaptable workspace solutions at competitive prices to local communities nationwide. We are the leading supplier of adaptable workspaces on this contract — providing an all-inclusive range of products and services to our Canadian Communities clients.

The Canadian Communities program is a Government Purchasing Alliance (GPA) that establishes the best available price for the highest quality products. Through the GPA, communities utilize competitively bid, national contracts to take advantage of the collective purchasing power of public agencies. This leverages significant volume into substantial savings.

The Benefits

Haworth and Canadian Communities provide procurement advantages that include established competitive pricing, a simplified procurement process with dedicated customer support programs, and Haworth's network of qualified dealers. Haworth's network of dedicated dealers support and assist in your procurement needs from concept through post-installation project management. Available services include reconfiguration and relocation, design/layout and planning, installation, project management, financing options, and workplace consulting.

The Products

Haworth provides a single-source solution for your interior needs. All Haworth products are available through this contract:

- Seating
- Systems Furniture
- Tables
- Steel Storage and Casegoods
- Wood Casegoods
- Moveable Walls
- Access Floors
- Work Tools
- Task and Desk Lighting
- Technology Products

The Resources

From the production line to our executive management team, Haworth is committed to your total satisfaction and quality. With one of the largest product offerings in the marketplace, we are able to meet your procurement needs in a timely and cost-effective manner. Our dedicated Canadian Communities program provides online ordering and information services — further supporting our commitment to quality products and services.

Seating

Haworth's combination of innovative design, intelligent engineering and advanced manufacturing technologies has resulted in a seating collection that sets the standard for durability, comfort and performance.

X99®

Created from equal parts of style and functionality, the X99 seating family provides precision performance.

Left to Right – X99 Guest / X99 Task / X99 Seminar / X99 Executive

Zody™

A remarkable investment in a mid-priced task chair. Highly sustainable and fully ergonomic. The first task chair to be endorsed by the American Physical Therapy Association and certified as a Cradle™ Gold Product by the MBDC.

Left to Right – Zody Task / Zody Guest

Improv®

The broadest seating family on the market. From task chairs to stools, side seating to occasional tables, Improv has an option to meet any individual's needs. Left to Right – Improv Tag / Improv Side

Monaco®

Fit for any executive, Monaco seating combines full function with luxurious design. Left to Right – Monaco High-Back / Monaco Mid-Back

Galerie™

Small-scale lounge seating and occasional tables make compact reception areas sing.

Composites™

Elegant and practical guest seating for a variety of environments. Choose from five back and four arm options.

ToDo®

Options such as casters, cup holder, tablet arm and storage shelf provide a truly flexible and interactive environment.

Systems

More than desks, storage and walls, systems furniture creates dynamic environments with personality. There's a system designed specifically for you because Haworth systems grow and change with your needs.

UniGroup® Too

A comprehensive offering at an affordable price. UniGroup Too combines classic design with unmatched simplicity and durability.

Compose®

Thoughtfully designed and thoroughly adaptable, Compose brings design freedom and performance to the forefront.

RACE®

Offering off-modularity and stacking capabilities, RACE embodies change. Superb capacity meets technology needs. Its distinctive design creates open, healthy environments.

PREMISE®

A foundation for change, PREMISE grows with an organization and anticipates technology. And it's fully stackable.

Work Tools

Providing people with the right tools facilitates productivity and coordinates multi-tasking. Haworth provides a range of options in these vital categories and is proud to present the smartest tools on the market today.

Boogie® Board

The adjustable keyboard pad. Patented design. Simple and comfortable. No tools required.

OneTouch®

Never before has the touch of a finger solved so many challenges. The first overhead storage unit to be opened and closed by the touch of a finger.

Jump®Stuff

Work smart. Have fun. JumpStuff paper management tools give you control over your work environment. Use in conjunction with the JumpStuff rail system or slat pads to take work up and off of your workspace.

Architectural Interiors

Through forward-thinking flexibility, Haworth A.I. products represent truly lasting value — remaining effective decades after they're first installed. Haworth solutions are sustainable and ready to meet your ever-changing needs.

TecCrete®

Library quiet and rock solid, yet beautiful enough to leave bare. TecCrete access flooring accommodates underfloor air and technology for convenience and adaptability.

LifeSPACE®

LifeSPACE moveable walls look permanent, but are designed to create a more responsive space and support changing business needs. Choose from a wide range of aesthetic options.

Steel Storage and Casegoods

Haworth offers storage and casegoods solutions to accommodate a variety of functions and budgets.

X Series®

The broad offering and aesthetic options of X Series takes storage and casegoods from the back room to any room.

V Series®

V Series stands for value. These storage and casegoods products provide exceptional strength and security.

Tables

Tables set the tone for how work gets done. Haworth offers finely-crafted boardroom tables, sleek, fully-powered training tables and everything in between. Available in an exceptional variety of materials, surfaces and details, they create the look and feel that works best in your workplace.

Kinetics®

Tactics®

Wood Casegoods

Image matters. So does performance. Haworth casegoods bring both to your work environment. Elegant craftsmanship and precision engineering are the hallmarks of Haworth's wood casegoods. Highly functional and beautifully designed, our casegoods selection has helped cement our reputation for meeting customers' needs.

Vancouver™

Smart technology coupled with modular design. Vancouver offers options to accommodate numerous work styles and aesthetics.

Orlando™

Great design and function. Orlando provides solutions to organize your workspace and support personal work styles.

Masters Series™

With a broad standard offering and price scalability, Masters Series is highly flexible and designed for ease of customization. Shown with LifeSPACE moveable walls.
