

X Series®

HAWORTH®

X Series Active Storage

With the highest level of design elements, functionality, and price scalability, X Series Active Storage expands the most comprehensive storage platform in the marketplace, X Series. It broadens the breadth of options and furthers the aesthetic flexibility to design, plan, and enhance your workplace.

X Series Active Storage

Design Freedom

With countless options – such as numerous pull styles and the ability to mix painted steel, wood, and laminate materials – X Series Active Storage projects a consistent and coordinated look throughout your environment.

One Storage System

X Series Active Storage is adaptable for your budget, space, and can be incorporated into any environment to organize, manage, balance & complement your many ways of working.

Expected Performance

The combination of excellence in engineering, manufacturing, and materials provides a true value of storage, built with strength and security in mind.
