Choice.

We carefully crafted Masters Series with many first-class details and boundless options. Create your own design statement when you augment Masters Series with the wide selection of top-quality veneers and the expansive variety of finishes, glass, drawer pull, and edge options.

You know there's more than just one way to work.

Likewise, there's not a set style or formation of casegoods that will create an office environment that encourages productivity and success. To harness and support your best effort day after day requires an architecturally inspired line with flexibility that offers an abundance of choice.

With Masters Series, it's about how *you* define a great space. This line works for the way you operate and the image you seek. It's personal.
