Value Proposition

HAWORTH

Why Poppy with Tablet?

Broadly the application range of the Poppy™ family. Poppy chair with tablet adaptable for a variety of workstyles and postures, as a seating for a multitude of collaborative and individual workspace. Poppy chair with tablet features an adjustable, dual-pivot tablet with right- or left-hand accommodation for a wide range of people and workstyle needs.

Flexible & Accommodating

Poppy guest chair comfortably supports individual and collaborative work wherever people need it. The Poppy 5-star base chair with tablet provides active, dynamic full upholstered chair that supports a wide range of people and activities.

The generously sized, adjustable tablet can be mounted on either the left or the right side of the chair and offers dual-pivot user control with 360° movement at both the arm's pivot joint and tablet surface connection point.
