

Openest Sprig

Sprig tables intuitively support collaborative spaces. Designed to correspond with the scale, lines, and colours of other Openest elements, Sprig tables can also easily stand on their own.

Features

- Use alone or blend tables of varying heights and shapes
- Corresponds with the scale, lines and colours of other Openest elements
- Painted finish top or solid plank with white Oak; painted aluminum legs
- Small round top, large round top or rectangular top

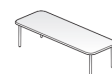

Statement of Line
