Belmont

Belmont's iconic raceway shade form is lined with premium felted wool or premium woven white fabric that floats over a majestic trio of solid wood posts (floor model) or a solid wood base that echoes the shade form (table model). Belmont sits perfectly in residential as well as hospitality and contract environments offering a low sitting light solution that focuses on indirect upward light with a warm and bright glow.
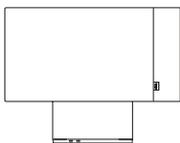

Features

- Belmont's unique base features full range dimming to set the perfect ambiance
- Outfitted with two convenient USB charging ports (table model)
- Three standard shade colors are interchangeable with 2 wood base finishes
- 97% of material is recyclable
