Arne Hovmand-Olsen

(1919-1989)

ARNE HOVMAND-OLSEN

Designed in Aarhus, Denmark by Arne Hovmand-Olsen, the Sushi Chair is elegantly comfortable. Slender, turned legs support a comfortable chair with minimalist lines typically finished off with high-quality woolen upholstery to create a timeless aesthetic.

The design of the Sushi series is quite typical for the time, but beneath the simple lines of this easy chair is an inner frame constructed in accordance with the finest of carpentry traditions.
