Ib Kofod-Larsen

(1919-1989)

IB KOFOD-LARSEN

Ib Kofod-Larsen was educated at the Royal Academy of Fine Arts in Copenhagen and throughout his life was very active in furniture design. He was an exuberant designer, actively designing for the furniture industry as well as for smaller cabinetmakers throughout Copenhagen. He was a largely unrecognized talent, and we are very proud to be able to bring his daring, sculptural pieces back onto the market.
