AP Seating

# HAWORTH

Very offers versatile seating solutions designed for today's dynamic workplaces. From private offices to conference rooms, cafés, healthcare spaces, classrooms, and everything in between, these chairs bring a cohesive look across your organisation. Built with recycled materials and engineered for high recyclability, they combine sustainability with style and comfort.

## Details

- Award-winning global seating family
- Contains up to 20% recycled content and up to 91% recyclable materials
- 3-point synchronised mechanism
- Asymmetrical lumbar support
- 4D, height adjustable or fixed armrest option
- 4D arms fluidly adjust in height, from side to side, front to back and are pivotable

## Certification

- BIFMA LEVEL 2
- Indoor Advantage Gold
- Good Environment Choice Australia
- Ten Circle

## Sustainability

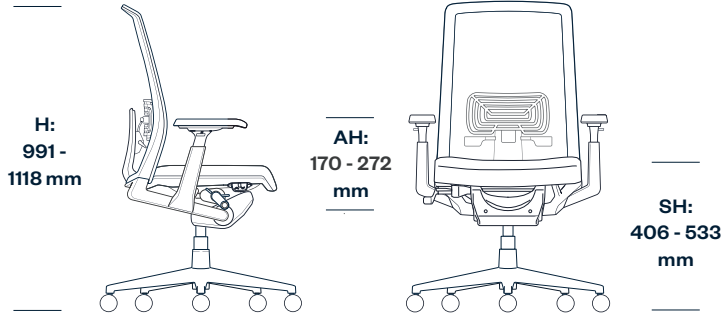

Very is manufactured in a zero landfill, ISO 9001, ISO 14001 and 45001 certified facility in China. Designed for durability, this product features high-quality materials and replaceable parts for easy disassembly. At the end of its life, it can be taken apart and repurposed, encouraging reuse over landfill.

- No adhesives used to manufacture components
- Metal parts are powder coated
- Sustainable fabrics available (e.g., EU Ecolabel, Oeko Tex Standard 100)
- No Polyvinyl Chloride (PVC)
- No Persistent Organic Pollutants (POP)
