

Maari™ with tablet

Flexible seating that offers space for both focus and collaboration gives people freedom of choice in where and how they work. The Maari five-star base chair with tablet provides active, dynamic seating that comfortably supports a wide range of people and activities. The generously sized, adjustable tablet can be mounted on either the left or the right side of the chair and offers dual-pivot user control with 360° movement at both the arm's pivot joint and tablet surface connection point.
