

Maari™ 4-Leg Base

The Maari family of seating brings interiors to life through simple specification for a range of applications. Maari is everywhere—its gentle and inviting design offers simplicity and warmth in an aesthetic that provides balance within a space. Maari 4-Leg Base chairs are agile, multiuse solutions that improve efficiency while supporting the diverse ways people work. Appropriate for healthcare and education environments.

Design
Patricia Urquiola and Haworth Design Studio

Features

- Easy specification with the same delicately textured, one-piece molded shell
- Various shell colours, black is made out of 100% recycled material
- Chairs stack 5-high on the floor
- Glides or castors provide mobility choices
- Rounded shape complements other products
- Wide back support a broader range of users
- Non-upholstered Maari offers the highest level of cleanability
