

Drift 32 Screens

Workplace screens represent an ideal solution; they are simple and quick to integrate, do not require any complex building procedures, and are open to individual configuration and sustained adaptation. Drift 32 screens support personal identity and unique ways of work, all in a more inspiring atmosphere and are compatible with current Haworth desk offering such as Tibas, T_up, YourPlace and Lyft. With different brackets, the screens can be positioned behind, flush or centred above the table top according to individual requirements.

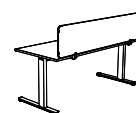

Features

- Slim, functional groove with no visible frame
- Accessories that allow users to personalise their space while maintaining a clear desk
- Available in a range of premium fabrics and colours
