

Metal Pedestals

Mobile Storage offers intelligent office solutions, whether extending personal storage at desks or equipping communication zones. More than just a storage unit, this robust steel structure comes in a variety of models and colours. These pedestals are available on castors or static, with cushioned tops or as a desk height surface extension. The metal pedestals can be integrated seamlessly into the Haworth product portfolio. The structure matches the colour of the table frame, the front matches the fittings and the seat cushion matches the screen.

Features

- Offers a variety of possibilities for a cost effective office organisation
- Components are made exclusively from high grade materials
- Different models with different number of drawers available
- Optional pencil drawer, soft stop, vertical handle
