HAWORTH

Fully configurable storage solution

Mobile Storage offers intelligent office solutions, whether extending personal storage at desks or equipping communication zones. More than just a storage unit, this robust steel structure comes in a variety of models and colors. These pedestals are available on castors or static, with cushioned tops or as a desk height surface extension.

Adaption Artist

The metal pedestals can be integrated seamlessly into the Haworth product portfolio. The structure matches the colour of the table frame, the front matches the fittings and the seat cushion matches the screen.
