

Audience

Similar to a fingerprint, a conference table is unique. Audience is a program “a la carte” offering a customized answer to each conference space: integrated technology, functionality and image are foremost in our design. Audience boasts a heritage of more than 60 years in top-of-the-range veneer work.

Features

- It offers a wide range of finishes and shapes: boat, U-shaped and round
- Charles Eames homage and 60s design references in the legs' characteristics
- Rotating power socket, Vertically retractable power socket
