CDP Score Report

2025 - Climate Change

CDP (Carbon Disclosure Project) is a global non-profit that runs the world's only independent environmental disclosure system. It helps organizations disclose high-quality data aligned with major frameworks, turning complex standards into actionable insights. In uncertain times, CDP empowers companies to manage risks, improve efficiency, and unlock growth by embedding resilience and transparency across their operations and value chains.

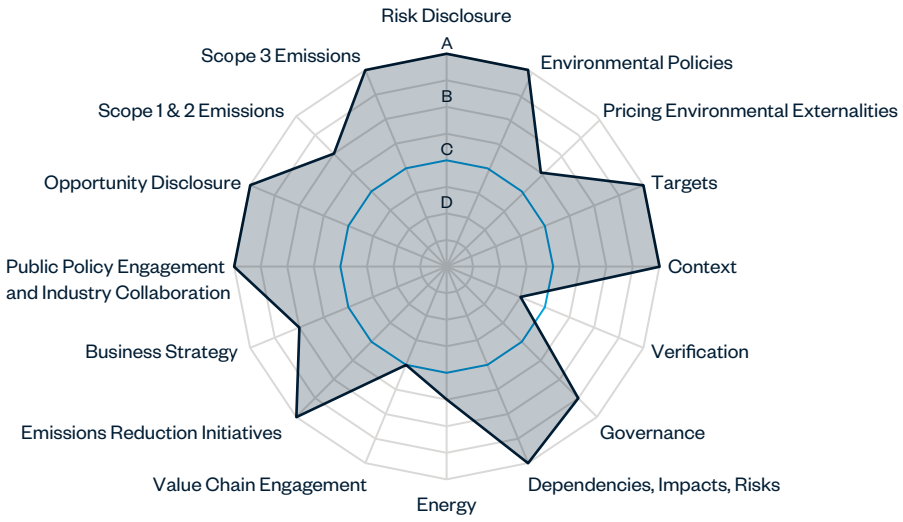

Our Results

B

This annual rating is for Haworth Group.

Management Band
Haworth received a B which is in the Management band. This is higher than the North America regional average of C, and higher than the Leisure & home manufacturing sector average of C.

Category Scores

CDP Discloser 2025

Our commitment to transparency:

Haworth was the first in the industry to publish a Corporate Social Responsibility report in 2005.

Haworth has disclosed our carbon impact through CDP since 2015.
