

Madrid

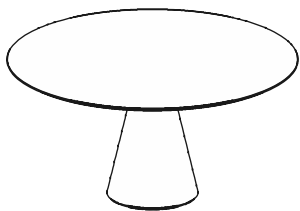

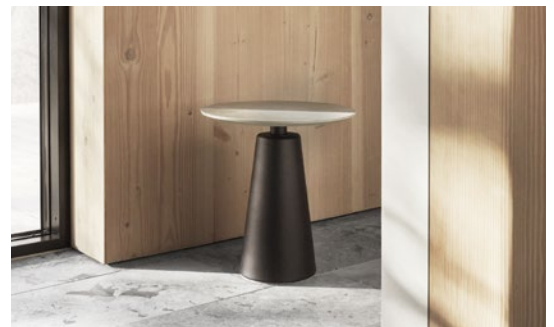

Clean lines and organic shapes come together in a floating design to make the Madrid table a sensory, vibrant piece for any interior. Functional yet elegant, it's a versatile piece that works in small spaces and large.

Design features

- Ideal for large groups: the Madrid table comfortably fits six chairs for everyday use with additional space for extra chairs.
- Extra leg room: the centre concrete base allows more legroom and open space.
- Visual softness: the round shape of the Madrid table creates visions of softness and space.
- Match any aesthetic: choose from a variety of tabletops.
