

# crona lounge

brunner crona lounge | Archirivolto

High back, fully upholstered – these are the new, high-backed versions of crona lounge. The first things you notice, of course, are the high, comfortable backrests of the armchairs and sofas. You can see them – but above all you can feel them. Both back and bottom feel really comfortable in this cosy seat and fall completely in love with it.

**HAWORTH®** Collection
