

# crona

brunner crona | Archirivolto

With its delicate frame, crona makes a visually light and dynamic impression. The upholstered shell nearly seems to float. The inlaid seat cushion in all crona models is particularly comfortable and can be exchanged separately. But crona has also persuading inner values. A foam-covered steel cage inside the shell provides stability and longevity. The upholstery can be finished in one or two colours as well as in a lively mix of materials.

**HAWORTH®** Collection
