

# Gong

Two thin metal plates connected by a thin bar in the same material: the strength of simplicity turns into emotion in this iconic service table characterized by precise and wafer-thin lines, which make Gong an extremely functional product, perfect for furnishing any kind of setting.

## Features

- Round base mirrors the round top, creating a trim, balanced form
- A new dimension, reduced in height, but with a wider tabletop, is offered in two of the existing versions of the collection
  - Gong, with matte varnished finish in white, mud or anthracite colour, and
  - Gong Lux, with polish varnished finish only in blue metallic colour

## Design by

Giulio Cappellini

- Gong (2004/2021)
- Gong Lux (2014)
- Gong Terrazzo (2018)
- Gong Circus (2020)
