

Hobo by Cappellini

Tina Bunyaprasit and Werner Aisslinger | 2017

Hobo's simple shapes can be comfortably incorporated into any setting. Rounded rectangles make up the seats, armrests, and backrests. Upholstered in one or two colors, and supported by wooden legs in a range of finishes, Hobo is highly customizable. Because of its modularity, multiple pieces can be connected in various configurations to support your space as it changes.
