

Lud'o Lounge

The Lud'o lounge chair transcends the boundaries of furniture into the world of fashion. Central to its design is the padded duvet that covers the armchair like a jacket—easily replaced to suit personal tastes and seasonality. Synonymous with extreme softness and great comfort, Lud'o invites you to sit and indulge.

Features

- The extreme comfort is perfect for domestic settings
- Equipped with a recycled plastic shell, made with a rotational mould
- Base available in several versions: a conical metal swivel base; four solid ash wood legs; or four ash wood spokes
- Quilted upholstery is available in a selection of the fabric and leathers
