

# HushMeet.L

HushMeet.L is the largest acoustic booth designed for 4-8 people to work simultaneously. The HushMeet.L cabin is a great alternative to traditional conference rooms for larger business meetings, presentations and team videoconferences. Thanks to its modular form, it perfectly fits the needs of any office.

## Features

- Upholstered interior panels available in two types of fabrics in a total of forty colours
- Speech level reduction secures privacy of conversations
- Fully automatic efficient ventilation and LED lighting system to guarantee comfort and convenience
- Additional table modules adapted to the size of each HushMeet.L
