

HushMeet.Open

HushMeet.Open is an open acoustic office pod providing a casual space for informal meetings. Inside HushMeet.Open pod is filled with upholstered acoustic panels. On the one hand, its design allows direct contact with the office; on the other hand, it is separated from the surrounding space by the laminated acoustic glass. This pod is perfect for less formal team meetings. The booth can be moved without disassembly. Version for 4 users takes up the same area as a standard two desk workstation.

The product is also available in a version for 2 people.

Features

- Upholstered interior panels available in two types of fabrics in a total of forty colours
- Double-sided box-shaped couch with upholstered seat, backrest and armrest
- LED lighting system to guarantee comfort and convenience
