

# HushMeet

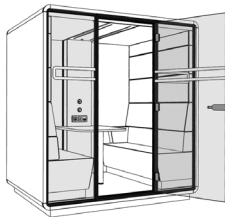

HushMeet is an acoustic booth that provides additional, independent space for teamwork in the office, where it is possible to conduct meetings for 4 people in comfortable conditions. Advanced acoustic solutions effectively isolate the sound. Additionally, the closed structure of the booth provides a sense of privacy. It is possible to move the entire booth without having to disassemble it. A 4-person booth takes up the same space as two standard desk workstations. The product is also available in a version for 2 people.

## Features

- Upholstered interior panels available in two types of fabrics in a total of forty colours
- Speech level reduction at 28.9 dB secures privacy of conversations
- Fully automatic efficient ventilation and LED lighting system to guarantee comfort and convenience
