

HushPhone

HushPhone is an acoustic booth designed for short phone calls and videoconferences, which provides a comfortable place to talk in peace and quiet. HushPhone takes up less than 1 sqm, is easy to use and very comfortable. The booth interior is optically enlarged by glass panels, which provide spaciousness and access to light. The booth is equipped with an ergonomic armrest and a fold-out laptop shelf.

Features

- Upholstered interior panels available in two types of fabrics in a total of forty colours
- Speech level reduction at 26.9 dB secures privacy of conversations
- Compact size easy to relocate
- Fully automatic efficient ventilation and LED lighting system to guarantee comfort and convenience
- Integrated wheels ensuring easy booth transport
