

Belmont Pendant

The Belmont Pendant Collection was a collaborative creation with designer Brad Ascalon re-envisioning the traditional fabric shade lamp but with the warmth and preciousness of hand crafted furniture. Belmont's iconic, yet reductive form creates a natural canvas for displaying an exquisite array of textiles from premium wool to colorful woven fabrics that can be paired with a solid crafted oak wood armature.

Features

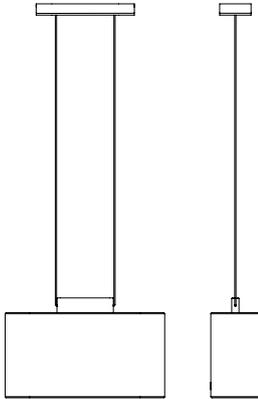

- Suspended individually or in dynamic combinations to bring warmth with sophistication to any space
- Warm, glare free LED light casts both
- Designed to provide up to 50K hours of energy-efficient and maintenance free illumination
