

Talia

Talia's refined and compact design embraces only the essential elements to fulfill its purpose. Smart and powerful, Talia is designed for maximum light control, pairing fully dimmable and glare-free flat light technology with 360° post rotation and 180° shade rotation to satisfy both task and ambient lighting needs alike.

Features

- Available in both Table and Floor standing models
- Talia Table model also features wireless induction charging
- 6-hour energy-saving auto-off timer
- Offered in 6 elegant colorway and metallic accent combinations to provide a refined touch to any setting and decor
