

Mangas Original

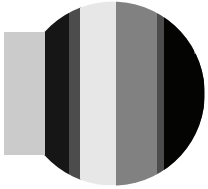

GAN | Patricia Urquiola | 2009

Mangas Original rugs are hand loomed from 100 percent wool with the cozy softness that brings warmth to a space. Available either in a rectangle or in the whimsical Globo shape, Mangas Originals add visual and tactile interest wherever they are used, and will ground furniture in large open areas and social spaces. Each rug is handmade, so no two are alike. Mangas Originals are available in colors exclusive to Haworth.
