

HAWORTH collection

**Patch** G/IN

Rugs

Patch rugs were born from a partnership with purpose—offering artisans in India the ability to maintain their craft during a pandemic. Patch is flat-woven using a dhurrie technique with recycled PET—appropriate for both indoor and outdoor use. Deep contrasts and geometric patterns are the hallmark of its design.

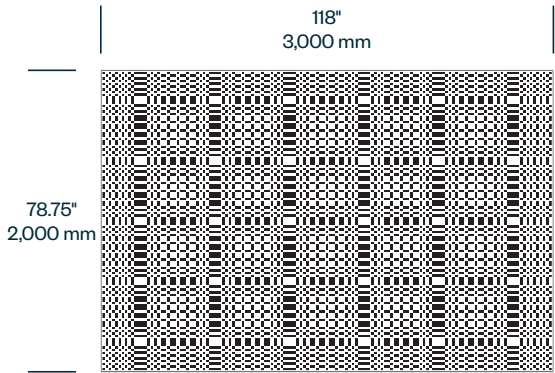

#### Features

- Suitable for indoor and outdoor use
- Handcrafted flat weave rug made using dhurrie technique
- Made from 100% recycled polyethylene terephthalate (PET)
- Rug thickness is approximately 0.24" (6 mm)
