

BuzziBalance

BuzziSpace | 13&9 Design | 2016

While seated or standing, BuzziBalance creates purposeful movements that awaken the mind and body. Find your balance while standing on the small or large curved BuzziBalance boards, made of solid wood. To activate muscles that become tight while sitting, choose BuzziBalance poufs, in three sizes and an array of fabric colors, topped with acoustic foam to absorb and diffuse sound.
