

BuzziHub

BuzziSpace | Alian Gilles | 2011

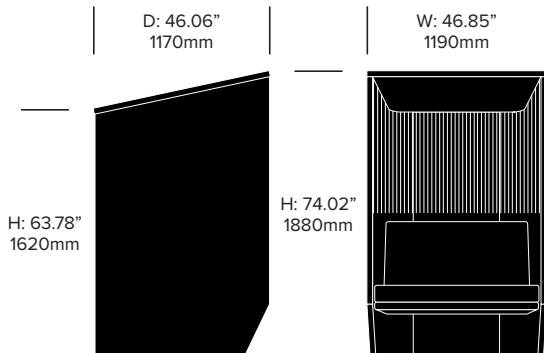

Creating privacy in an open floor plan, BuzziHub offers an acoustic shelter. Choose from a single or double booth with the option of a loose cushion to serve as pillow or backrest. You may also specify a cushioned armrest on the left or right. Support reading and focused work with an optional LED light located at the back of the bench. A wide array of fabric options is also available.
