

HAWORTH collection

**111 Navy** emeco

Seating

In 2006, Emeco and Coca-Cola partnered in an effort to reduce the number of plastic bottles in landfills and oceans. It took four years and many work hours to develop the first ever chair made from recycled plastic bottles. Turning approximately 111 waste plastic bottles into an icon, this chair sits lightly on the planet.

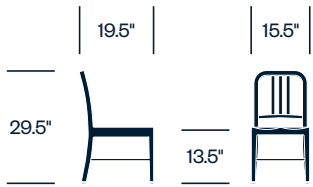

#### Features

- Made from recycled PET
- Available in 9 colors
- Optional recycled PET felt seat pad
- Suitable for indoor and outdoor use
- Part of a larger collection of Navy seating

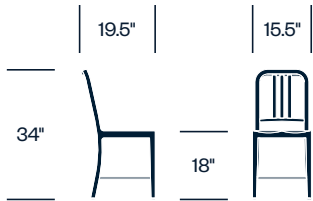

#### Certifications

- Meets ANSI/BIFMA X5.1 Standard for Office Seating
