Run emeco

Tables

HAWORTH collection

Run Designed by Sam Hecht and Kim Colin

Designers with an eye for simplicity and functionality, Sam Hecht and Kim Colin created beautiful utilitarian tables to perfectly pair with Emeco seating in community spaces. Meticulously crafted planks create strong visual lines. Responsibly harvested wood is engineered for durability. Pair with matching benches for casual meeting or café spaces.

Features

- Hand-brushed, clear-anodized aluminum and Accoya wood surfaces are suitable for indoor and outdoor use
- Collection also includes benches and storage

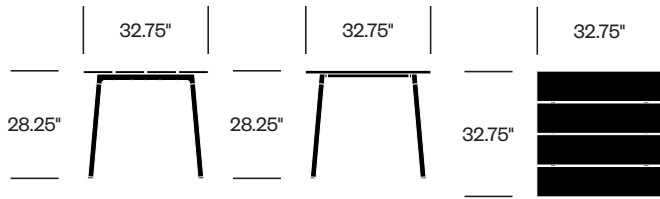

Certifications

- Meets ANSI/BIFMA X5.5 Standard for Desk and Table Products
