Seating

# HAWORTH collection

Run Designed by Sam Hecht and Kim Colin

Designers with an eye for simplicity and functionality, Sam Hecht and Kim Colin created beautiful utilitarian benches to perfectly pair with Emeco seating in community spaces. Made of sustainable materials that are engineered for durability. The curated material palette offers indoor and outdoor plank surface options in clear-anodized aluminum or responsibly harvested wood.

## Three Seat Bench

## Four Seat Bench

## Features

- 3- or 4-seat bench lengths
- Clear-anodized aluminum and Accoya wood surfaces are suitable for indoor and outdoor use
