

HAWORTH collection

Run emeco

Bookcase

Uninterrupted lines define this simple, functional shelving, part of the Run family. With three levels and minimal framing, open spaces are designed for storage or display. Run is made of responsibly selected, sustainable materials that are engineered to last. Mix and match frame and shelf finishes.

Features

- Clear-anodized aluminum and Accoya wood shelving planks are suitable for indoor and outdoor use
- Collection also includes tables and benches
