Acoustic Pods

Statement of Line

Explore Hushoffice further
at [haworth.com](https://www.haworth.com).

hushPhone

Optional stool

A private acoustic space for confidential phone and video calls, or individual focus work.

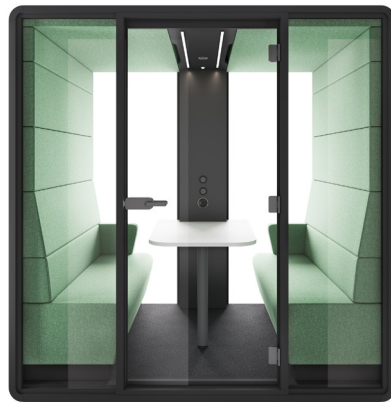

hushHybrid

A go-to location for solo work and video calls with built-in table and soft seating.

hushMeet

Perfect for small group meetings, collaborative work, and more. Table and benches provide space for up to four people.

hushAccess.L

Optional table

A large meeting pod that seats 6, enhanced with a lower threshold and wider entryway to allow complete access for all people. Uses include a respite area, social space, or conference room.
