JANUS Titan JANUS et Cie

Umbrellas

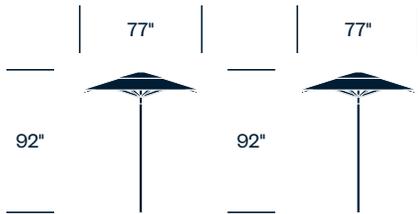

Stunning and sturdy, JANUS Titan umbrellas not only provide cool, protective shade, they're easy to put up and fold down. Available in various shapes, sizes, and colors, they provide the flexibility to shade a range of settings that bring people together.

Features

- Carefully engineered mechanisms designed for ease of operation
- Tilt umbrellas have a cantilever design with 360° rotation and easy adjustment
- Highly durable and weather-resistant fabric
- Folds neatly back to the mast when not in use
- Available with a range of base options or as in-ground or surface mount
