

HAWORTH collection

Quinta JANUS et Cie

Outdoor Seating and Tables

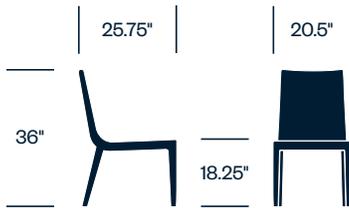

Sleek and stunning, Quinta combines intricately handwoven JANUSfiber and natural teak to provide exceptional durability and performance—even in heavy-use environments exposed to the elements. A variety of chairs and tables in multiple sizes and styles is available.

Features

- Chairs are fully woven in JANUSfiber or have woven seats with solid teak frame and legs
- Optional cushions with foam padding for added comfort
- Occasional tables are fully woven in JANUSfiber or have woven tops with solid teak legs; optional glass top
- Dining table tops are fully woven in JANUSfiber with solid teak legs; inset tops available in sanded tempered glass
- Quinta chairs and tables can be configured in multiple ways to accommodate a variety of spaces and activities
