Slant J A N U S e t C i e

Outdoor Seating and Tables

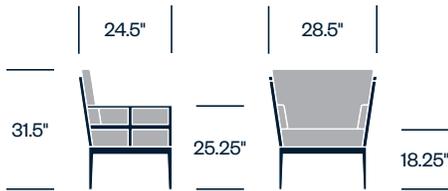

Combining indoor elegance with outdoor spirit, Slant’s distinctive angles and structured cushions invite human-centered comfort and ease. With its clean, architectural lines and many distinctive finishes, textiles, and materials—including solid limestone table tops—Slant can anchor any refined, sophisticated social space.

Features

- Multiple seating sizes and styles, including chairs, sofas, and settees
- Stylish, tapered legs support an open, geometric framework
- External seating frame and table structures in powder-coated aluminum
- Tailored foam cushions; reticulated cushions available for outdoor use
- Ottoman available
- Table tops in tempered glass or limestone
