

HAWORTH collection

Swell Pablo

Lighting

The Swell modular system bridges the divide between indoor and outdoor lighting. Its three shade designs pair fluid lines with a radiant brass interior and can be mixed and matched to create dynamic LED lamp groupings.

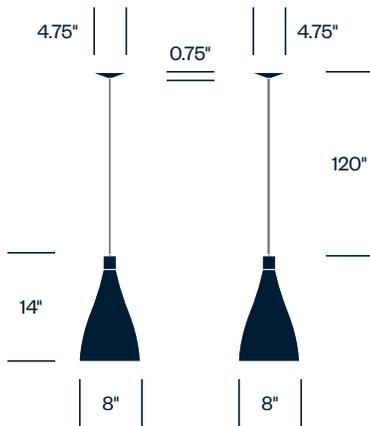

Features

- Suspended individually, as a chandelier, or as a flowing string of lamps connected to a single power source
- Shades formed from spun aluminum
- Steel canopy
- Pendants with multiple lights come with a white canopy
- Pendants with one light come with a canopy that matches the cord color
- 40,000-hour LED lifespan
- Suitable for indoor and outdoor use

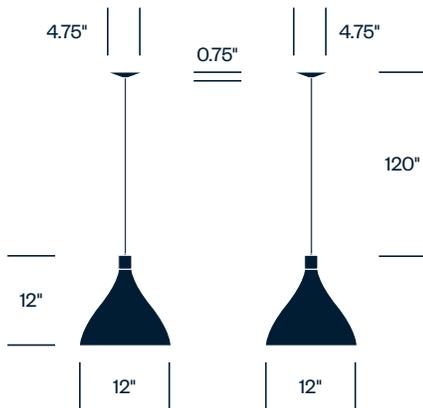

Certifications

- CE Certified
- ETL Listed
- RoHS Ccompliant
