

HAWORTH

Totem Pablo

Lighting

Highly versatile Totem LED lighting is comprised of exquisitely blown opal glass shades designed around a modular platform. Totem's soft, milky-white geometric forms in single and double shade designs can be configured in up to 20 variations, creating a charming interplay of direct and indirect illumination that brings warmth and elegance to any space. Use Totem pendant lights alone or in stunning groupings. A flush-mount variation is also available.

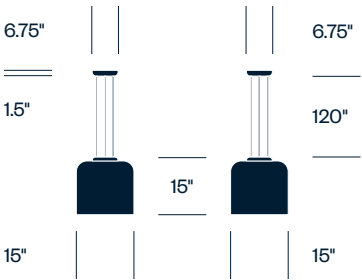

Features

- Fully dimmable, LED light source housed in each shade
- Single and double shade options in four sizes create up to 20 unique pendant configurations
- Create direct and indirect lighting solutions with up/down pendant, down pendant, and flush-mount down light
- Suspend pendants individually, in series, or in groupings

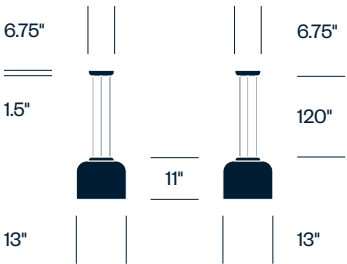

Certifications

- CE Certified
- ETL Listed to UL Standards
